Hi Sonja,

So sorry! I meant to email you last night before I left the office. I had a trial that lasted all day...The case was resolved yesterday with a lengthy pretrial probation period.

Thanks for following up with me.

Have a good weekend!

Kristin

Hi Kristin-

Just curious if the [REDACTED] case ended up a plea, or if the case was continued? Thanks.

Hi Sonja,

I just wanted to check in with you about this case, which is on the Eastern Hampshire jury list for tomorrow. There is a chance that it will resolve short of a trial, and it also happens to be the newest case on the list. So, unless you are really looking forward to coming to the courthouse at 8:30AM, I would ask that you be available by phone (on call) for tomorrow. I would simply need the best number to reach you, as well as an estimate as to how long it would take you to get here should the case get reached.

Please let me know if this arrangement works with your schedule.

Thank you,

Kristin
